

# Dura-Scraper Checkered

Specifications  
August 2021

<u>Description:</u>	This is a remarkably affordable rubber doormat that will prove itself to be long-lasting and therefore perfectly suited for heavy foot traffic entrances, corridors, and hallways. These doormats are designed to be slip-resistant and lend comfort to those who walk or stand upon them. The intricate pattern upon their surface will add a tasteful industrial appeal to any area, while its black coloration will not rob from the décor of the surrounding space.
<u>Materials:</u>	Reclaimed Rubber with Natural Rubber
<u>Thickness:</u>	3/8-inch
<u>Available Sizes:</u>	3-ft by 5-ft
<u>Weight:</u>	20lbs.
<u>Available Colors:</u>	Black
<u>Applications:</u>	Anti-Fatigue Flooring, Anti-Slip Flooring, Automotive, Aquariums, Bars, Bathrooms, Butcher Shops, Car Garages, Car Washes, Commercial Kitchens, Concrete Floor Covering, Corridors, Employee Work-Stations, Food Preparation, Food Service Flooring, Green Flooring, High Foot-Traffic Flooring, Hallways, Indoor Applications, Industrial Assembly Areas, Kitchens, Dishwashing Areas, Laundry Rooms, Linoleum Floor Covering, Locker Room Matting, Mall Entrances, Marine Applications, Outdoor Applications, Pathways, Pet Groomers Stations, Pool Decks, Protective Floors, Runner Matting, Safety Surfacing, Slip and Fall Prevention, Traction Flooring, Washrooms, Wet Floors.
<u>Durable:</u>	The materials used to construct The Dura-Scraper Checkered are highly durable. This product will outlast all carpet, PVC, and coir entrance mats. But aesthetic appeal does not have to be sacrificed for great quality! With an intricate checkered design, this product will add a touch of flair wherever it's placed. These runners are the perfect matting solution for any location with high foot-traffic. They have an extra heavy base that will hold it in place without the use of adhesives, which will facilitate its cleaning, movement, and replacement.
<u>Compared Them!</u>	These rubber mats are easier to clean, more affordable, more durable, and just as eco-friendly as coco or carpet mats. They can be used for any season and are exceptionally resilient, ensuring that they will remain functional for a long time. Get the best bang for your buck with these durable runner mats.
<u>Green Product:</u>	Made from a mixture of natural and reclaimed rubber products, this mat is perfect for the "Green" consumer. Why buy PVC or plastic products that pollute the environment? Save money and help the environment by purchasing a "Green" rubber product, which is a great way to minimize our carbon footprint!
<u>Outdoor Use:</u>	Being made from recycle tires, gives these products long life when used outdoors. Tires are made for the outdoors and they last for years under harsh conditions. Reconstituted as a doormat, this "Tire Derived Product" is ideal for the outdoors.
