

Equine-Flex

Specifications
August 2021

| | |
|-----------------------------|---|
| <u>Description:</u> | The most affordable horse stall mat In the United States! When purchased in quantities of 40 or more, this product is sold in volume quantities for large equine facilities. They are highly durable products and therefore ideal for livestock. |
| <u>Materials:</u> | Reclaimed Rubber |
| <u>Thickness:</u> | 5/8-inch |
| <u>Sizes:</u> | 4 ft x 6 ft |
| <u>Weight:</u> | 100 lbs |
| <u>Colors:</u> | Black |
| <u>Applications:</u> | Animal Comfort, Barns, Caging Systems, Cow Matting, Cross-fit Gyms, Equine Facilities, Farm Comfort Floors, Kennels, Protective Flooring, Livestock Floors, Pet Floors, Stables. |
| <u>Durable:</u> | The vulcanized materials used to construct these mats are unmatched in strength and durability. Supporting the weight and activities of large and small animals alike is a strenuous and potentially damaging task, and not many flooring options can stand up to the challenge. But these mats are so resilient and tough that they can easily withstand the abrasive treatment of any animal! |
| <u>Affordable:</u> | Simply put, there is no horse stall mat out there that is more affordable than this. They are especially economical when purchased in volume quantities for large facilities. |
| <u>US Horse Population:</u> | The American Horse Council Foundation (AHCF), a funding entity of the American Horse Council, commissioned a study in 2004 using data provided by horse owners for the previous year. The resulting report put the American horse population at 9.2 million in 2003, a 33 percent increase over the 6.9 million reported ten years before. |
| <u>Cobble Top Design:</u> | The surface design of this flooring option does a wonderful job of replicating tightly compacted cobble stone roads. This design isn't just visually pleasing; it's also highly functional in that it adds traction to rubber's already natural high coefficient of friction—making this a wonderful slip resistant surface. |
| <u>Animal Comfort:</u> | These rubber mats are soft and warm and bring comfort to your animals. They are easy to clean and will be odor and dust free. Sanitation is guaranteed with use of these mats, ensured to have a minimal bedding time, meaning that soil and other messes can be removed quickly. These mats will also reduce the risk of injury for your horses and other animals. |
| <u>Cleaning:</u> | For outdoor cleaning a water hose, leaf blower, or broom is sufficient. If desired, a mild detergent can be used to sanitize the surface. |
| <u>Availability:</u> | The Equine-Flex is always in stock and will generally ship within 24 hours. |
| <u>California Prop 65:</u> |  WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov . |
