

Kitchen Mat

Specifications
August 2021

<u>Description:</u>	The Kitchen Mat is a 3/8-inch thick 100% Nitrile rubber mat with drainage holes made from premium grade rubber. This “Ultra-Premium” product, being made from grease resistant nitrile rubber, exhibits excellent lifecycle expectancy when used in areas where animal oils and petroleum persist. The Kitchen Mat’s non-slip traction surface cuts down on slipping accidents while the natural resilience of rubber reduces damage to dropped objects.
