

Soft Cloud Drainage

Specifications
August 2021

| | |
|----------------------------|---|
| <u>Description:</u> | This is a lightweight yet thick and durable anti-slip mat with drainage holes. These resilient foam tiles are ideal as anti-fatigue mats. They are made from grease-proof materials, making them perfect for kitchens and food service applications. |
| <u>Materials:</u> | Rubberized Gel Foam |
| <u>Thickness:</u> | 3/4-inch |
| <u>Sizes:</u> | 3ft x 5ft |
| <u>Weight:</u> | 10lbs. |
| <u>Colors:</u> | Terra Cotta, Black |
| <u>Applications:</u> | Anti-Slip Matting, Assembly Line Floors, Bar Mats, Cashier Flooring, Cooking Applications, Comfort Tiles, Concrete Floor Covering, Counter Floors, Diners, Drainage Flooring, Food Preparation, Food Service, Grease-Resistant Surfacing, Industrial Mats, Prep Area Floors, Restaurants, Safety Flooring, Slip-Resistant Surfacing, Textured Flooring, Thick Matting, Water-Resistant Matting. |
| <u>Drainage:</u> | All across the surface of these thick and durable mats are drainage holes that allow water and other liquids to pass down to the subfloors. This will add to the safety of your workplace. In 2009, injuries from falls led to 2.2 million emergency room visits by older men and women, and a quarter of these injuries required a hospital stay. |
| <u>Grease-Proof:</u> | The nitrile rubber materials used to make these mats are non-absorbent and grease proof. For any applications which will see grease buildup, such as a food service setting, these are a perfect addition to the safety regime! They are easy to clean, which will keep their performance high all year-round. |
| <u>Antimicrobial:</u> | Antimicrobial additives went into the construction of these mats, making them resistant to mildew and bacterial growth while also preventing mold. |
| <u>Safety and Comfort:</u> | The thickness and texture of these mats will lend comfort and support to those who stand or walk upon them, as well as providing the surface with added traction to prevent slip and fall accidents. |
| <u>Cleaning:</u> | This product can be cleaned using any everyday household cleansers or cleaning implements. |
| <u>California Prop 65:</u> |  WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov . |
