

Terra-Flex Tiles

Specifications
August 2021

<u>Description:</u>	Terra-Flex is a premium rubber tile offered in unique earth-tone colors. Since this product is made from the highest quality ingredients and can be made with low odor and with precise pantone color codes. These rubber flooring tiles are designed to withstand abrasive conditions while also offering excellent anti-fatigue qualities. Made from natural and synthetic rubbers, it is designed for commercial and residential applications with heavy foot traffic. This product is specifically designed and manufactured for aesthetics, comfort, and durability and is an excellent choice for home or commercial gyms, game-rooms, basements, or man-caves!
<u>Material:</u>	Synthetic and Natural Rubbers
<u>Size:</u>	24 inch x 24 inch (approximate)
<u>Thickness:</u>	1/4 inch
<u>Weight:</u>	8.5lbs per tile
<u>Hardness:</u>	80 Shore A Nominal
<u>Tensile Strength:</u>	8.0 mpa minimum
<u>Available Colors:</u>	Blue, Chocolate, Dark Gray, Green, Light Tan Fleck
<u>Applications:</u>	Airports, Animal Care Facilities, Anti-Fatigue Flooring, Art Studios, Assembly Lines, Baseball Dugouts, Boats, Break Rooms, Clubhouses, Commercial Vehicles, Daycares, Exercise Floor Mat, Floor for Basement, Garage Flooring Tile, Golf Courses, Health Clubs, Home Gyms, Ice Rinks, Industrial Applications, Industrial Tiles, Interlocking Floor Mats, Kid's Rooms, Locker Rooms, Mat for Gym Rooms, Movie Sets, Music Studios, Non-Slip Mat, Play Areas, Protective Mats, Sound Proofing, Spike Protection, Sports Mat, Stalls, Stock Rooms, Treadmill Flooring, Workout Mat, Weight Rooms, Yoga.
<u>Aesthetics:</u>	This rubber tile is available in unique earth-tones and lighter colors, which are generally not the case in recycled rubber materials. The lighter colors, as opposed to the standard black, make for brighter and more illuminated spaces.
<u>Modular Flooring:</u>	This interlocking rubber mat can easily be installed on-site by almost anyone so there is no need for an installer or adhesives. It can easily be removed and re-installed at a new location, making this tile a modular flooring product.
<u>Vanilla Scent!</u>	We realize that rubber's odor, or the "rubbery smell", is not always appreciated. In this rubber floor the natural odor is improved with the aroma of vanilla beans which enhances the overall experience of the product for any end-user entering the room floored with the Terra-Flex tiles.
<u>Rubber Tree:</u>	This product has a natural rubber component (Para rubber tree!) making it an eco-friendly rubber floor.
<u>Availability:</u>	Terra-Flex is almost always inventoried in stock colors and will generally ship within 24 hours.
<u>California Prop 65:</u>	 WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov .
