<u>Excellent Durability:</u>	PVC or poly-vinyl chloride is a chemically stable material, which shows little change in molecular structure, and exhibits little change in its mechanical strength over time. It is prepared by chlorination of PVC resin. High chlorine content imparts high durability, chemical stability, and flame retardancy.
<u>Installation:</u>	This product can be quickly and effectively installed using a double-side tape. For more permanent applications, this flooring roll can be installed with a polyurethane-based adhesive. Please consult our customer service with questions about installation at 1-844-Rubber-4.
<u>Benefits of PVC:</u>	PVC is low cost and comparative to its price very durable. It has a high tensile strength and is hard to break. It is lightweight, corrosion, and weather resistant.
<u>Textured Surface:</u>	This product comes with a unique "coin" surface texture. These circular designs are slightly raised so that they provide the feet with a better amount of traction and stability. This texture design will help keep you and everyone treading your stairs safe.
<u>Easy to Cut:</u>	The PVC material of this flooring can be cut with the use of a utility knife. For the best cutting results, use your utility knife in conjunction with a straightedge.
<u>Cleaning:</u>	This vinyl stair treads roll can be cleaned with most common household cleaners and degreasers. This product is moisture resistant.
<u>Availability:</u>	Coin-Grip (Metallic) flooring is always in stock and will generally ship the same day.
