<u>Hardness:</u>	75 Durometer
<u>Tearing Strength:</u>	280 PSI
<u>Tensile Strength:</u>	840 PSI
<u>Available Colors:</u>	Black, Dark Gray, Brown
<u>Applications:</u>	Indoor stairs
<u>Excellent Traction:</u>	This PVC coin flooring offers excellent traction through its PVC coin-top or stud protrusions. The naturally high coefficient of friction found in this PVC floor adds to the grip and reduces the risk of falls. The embossed coin pattern is designed for medium to high traffic areas where added footing is needed, which is ensured by the raised studded surface.
<u>PVC:</u>	PVC or poly-vinyl chloride is resistant to corrosive inorganic chemicals, oils, acid and that is why it so durable. It is flame-retardant; PVC's durability, long lifespan, light weight and low maintenance makes it a great choice to use as a step mat.
<u>Temporary Installations:</u>	For temporary type fixtures this product can easily be installed with a double-sided carpet tape; this makes the product ideal for any DIY or residential applications. The ease of installation does away with the need for installers or adhesives.
<u>Permanent installations:</u>	Coin-Grip PVC Flooring can be permanently adhered to a hard subsurface using a polyurethane based adhesive. Contact customer service for additional information at 1-844-Rubber-4.
<u>Cleaning:</u>	Since this PVC floor offers moderate chemical resistance, it can be cleaned with most mild common household cleaners. Strong, caustic cleaning solutions (e.g. bleach) are not recommended.
<u>Availability</u>	Coin-Grip step mats are always in stock and will generally ship the same day (please allow 24-48 hours for custom cut lengths).
